

Bali Learning Center  
Advanced Mathematics

Instructor: Andrew K. Tong  
Email: atong2@ucmerced.edu

#### Prerequisites

2 years of Algebra

1 year of Geometry

1 semester of Trigonometry

This class will cover material relevant to Pre-Calculus with Limits and other special topics. This class emphasizes the method, not the results of a problem (meaning: show your work!!!)

Graphing Calculators are required for this class. It is recommended to obtain TI-83 plus. It will last through college.

Standard grading scale will be used in this class

100.00% - 90.00% = A

89.99% - 80.00% = B

79.99% - 70.00% = C

69.99% - 60.00% = D

59.99% - 00.00% = F

Class grade will be determined as followed:

Final – 35%

Midterm – 25%

Quizzes – 20%

Homework – 10%

Class work – 10%

#### Late work policy

Late work will only be accepted 1 day after the due date for half credit.

#### Homework

Homework is worth 10.00 points for each assignment. Points are awarded for a correct answer, but the bulk of its worth comes from showing your work.

#### Extra Credit

There will be various opportunities for extra credit through out the year. The easiest to gain is from the extra homework questions.

#### Classroom Policies

No eating or chewing gum

Cell phones are to be turned OFF before class.
